

CCHS Exam Results June 2024

We congratulate our students on an outstanding set of results this year. These results demonstrate the hard work and perseverance of our students to do their very best even when faced with personal challenges. All students that attend our school face chronic or acute medical and /or mental health needs. Their schooling is often disrupted. We are delighted that their hard work has resulted in these great results. We wish them all the very best for the future.

Here are some highlights:

94% of all entries at GCSE were Grade 4 and above
Over 50% of our results at GCSE were Grades 7 or 8
100% of all entries at Functional Skills were passes
